

Context Candle Set

Six rechargeable, real-wax LED candles and one USB charging dock.

Product specifications

Body	Hand-poured, unscented paraffin wax
Light	Warm, flickering LED; no burning wick or open flame
Candle dimensions	2.5 in (64 mm) tall × 1.25 in (32 mm) diameter
Runtime	30 hours per charge, per candle
Full recharge	30 minutes
Dock capacity	Six candles
Included	Six candles, USB charging dock, USB cable, power adapter
Switching	Flip each candle to switch on or off

Measure the inside dimensions of your holders and check that each candle can be lifted out for charging.

Plan your venue

For venue quantities, shipping, specific power requirements, replacement parts or outdoor use, request a venue quote or contact Context before ordering. A quote confirms product pricing, shipping and availability before payment.
